DESSIE MITCHESON

Our reigning Hometown Hottie is from Apollo, Pennsylvania. That may explain why two million *Maxim* readers suddenly relocated to Apollo this year.

WorldMags.net

HOT 100

What do an imaginary girlfriend, a fast-food heiress, and a former costar of Barney the Dinosaur have in common? (No, not a stint on *Celebrity Rehab.*) They, along with 97 other beauties, are the proud members of the 2013 Maxim Hot100. You voted, we counted (mostly with our fingers), and we can say with absolute certainty that before you lies the definitive list of the world's sexiest women. So sit back, relax, and enjoy the best thing to happen to men since, well, anything!

99
ASHLEY SKY

She's worked her way up the ranks of sexiness via Instagram, Tumblr, Twitter, and all those other social media sites you look at while pretending to work.

98
REBECCA MADER

Our television is addicted to this redheaded Brit thanks to *Lost*, *Fringe*, and *White Collar*. Someone put her on a new show before it gets the shakes!

97
DANIELLA ALONSO

Revolution is one of the most mind-bendingly awesome shows on TV, so it stands to reason that its star, this former *One Tree Hill* babe, is also mind-bendingly awesome.

96
KELLIE PICKLER

Besides ruling the charts and competing on *Dancing With the Stars*, the former *American Idol* finalist regularly entertains our troops overseas. She's a little bit country, and we're very much in love.

95
ZOOEY DESCHANEL

We have every episode of *New Girl* stored on our DVR and listened to the She & Him Christmas album well into April. Siri, can you ask Zooey to marry us?

WorldMags.net

94
DAWN OLIVIERI

After appearing in *Maxim* back in 2009, this foxy Floridian landed the role of Monica on the Showtime hit series *House of Lies*. Sorry, Don Cheadle, you've been outsexied.

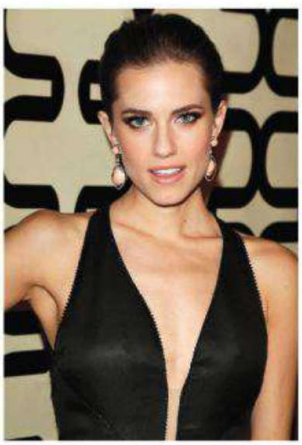

93
LYNSI TORRES

Move over, creepy-ass Burger King! Our favorite fast-food royalty is this 31-year-old In-N-Out Burger heiress (center), who also happens to be America's youngest female billionaire. Double-Double love!

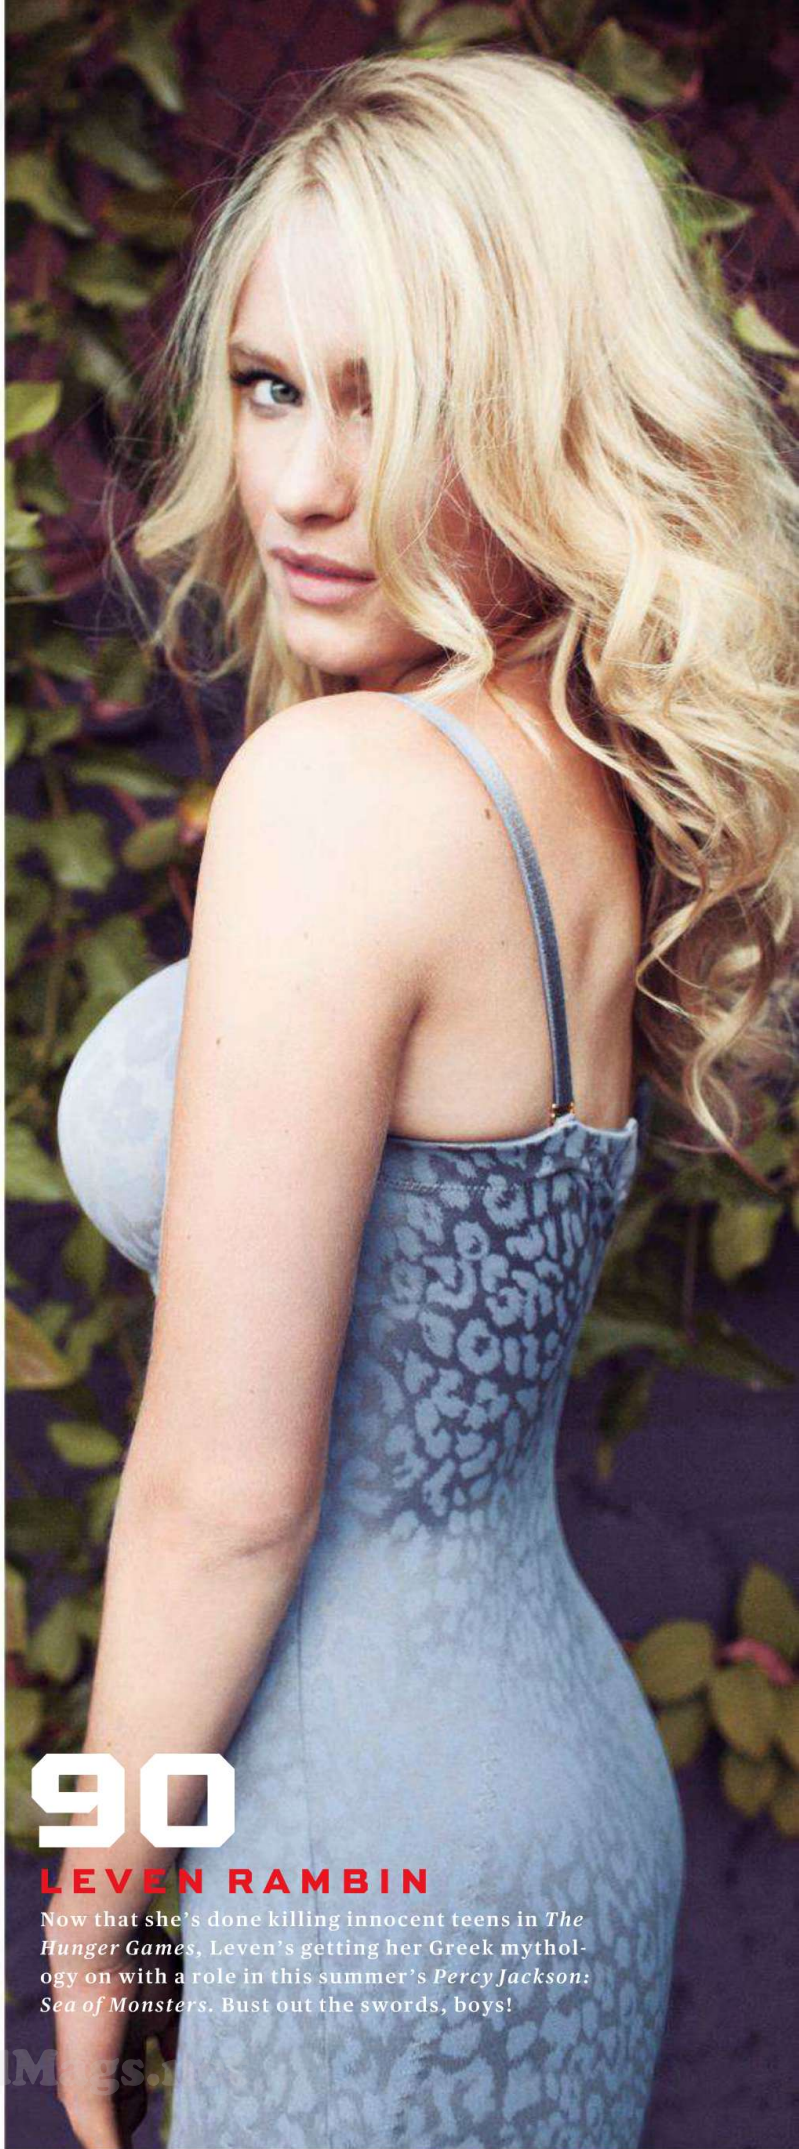

92
KENDA PEREZ

When she's not hosting *The Best of Pride Fighting Championships*, the *Maxim* favorite finds time to work with the Famous Stars & Straps fashion brand. Now *that's* multitasking.

91
ALLISON WILLIAMS

We'll admit it: We're hooked on *Girls*. More to the point, we're hooked on Brian Williams' classically beautiful Yale-educated offspring. She's out of our league on so many levels!

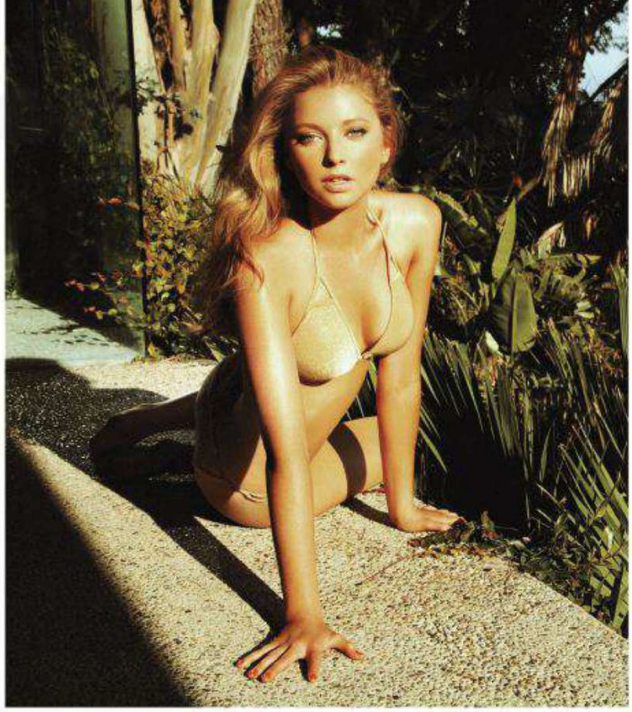

90
LEVEN RAMBIN

Now that she's done killing innocent teens in *The Hunger Games*, Leven's getting her Greek mythology on with a role in this summer's *Percy Jackson: Sea of Monsters*. Bust out the swords, boys!

WorldMags.net

89
APRIL ROSE
You probably recognize this gorgeous former Hometown Hotties champ from our *Maximum Exposure* video series. She also likes to help the boys out on MTV's *Guy Code* and older boys out in *Grown Ups 2*. What a team player!

88
ELISABETH HARNOIS
She makes blood samples and crime scenes look so hot on *CSI,* we almost enrolled in the police academy! (Then we learned that there isn't really a dude there who can make a bunch of crazy sounds.)

87
KATIE CASSIDY
Keep your eyes peeled for the daughter of '70s heartthrob David in the films *The Scribbler* and *Kill for Me,* and on CW's *Arrow*. Wait, yuck, don't peel them literally, you moron!

86
ROCSI DIAZ
The former host of BET's *106 & Park* recently made the switch to *Entertainment Tonight,* thus giving us a shapely excuse to obsess even more over Justin Bieber's latest love news.

85
AUBREY PLAZA
This *Parks and Recreation* player, who is also starring in *The To-Do List* this summer, is as wickedly sarcastic as she is good-looking. She even looks hot trying to steal Moonmen from Will Ferrell.

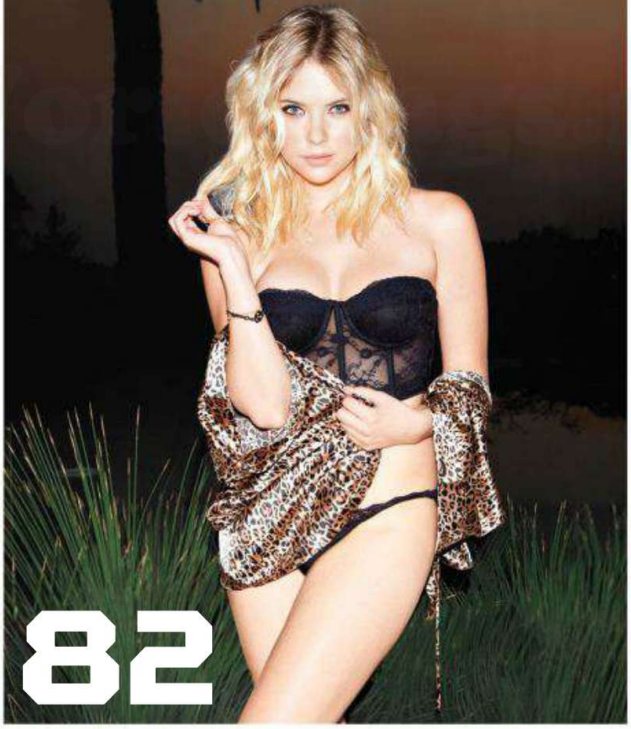

84
ALICE EVE
She's the out-of-this-world British bombshell who stars in this month's *Star Trek Into Darkness,* playing Kirk's future baby mama. What's Klingon for "Call us?"

WorldMags.net

83
KAT DENNINGS
The *2 Broke Girls* star is gorgeous and a complete wiseass, and she never returns our calls. What's not to love?

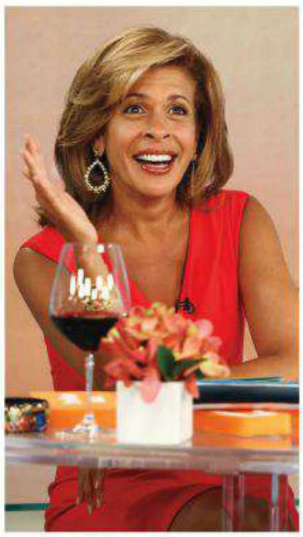

82
ASHLEY BENSON
We first fell for this SoCal cutie on *Pretty Little Liars*, but it was her seriously bad girl turn in *Spring Breakers* that had us head over heels. Let's just hope those "dating James Franco" rumors are false.

81
MAGGIE GRACE
You can breathe a sigh of relief: This blonde beauty finally shut the door on the *Twilight* series with *Breaking Dawn: Part 2*. We pray Liam Neeson is a negligent pop once again, so we can see her in *Taken 3*.

80
JAMIE CHUNG
This *Hangover Part II* hottie took on the role of Mulan in ABC's *Once Upon a Time*. Sexiest fairy tail ever?

79
HODA KOTB
By the time *The Today Show* hits the fourth hour, the wine is flowing, jokes about orgasms are flying, and the male viewership is staring at TV's hottest morning host. (Sorry, Al Roker, you were a distant second.)

78
KE$HA
With creative toothpaste selection (Jack Daniel's), and a positive outlook on life (living like she's gonna die young), the gal with the dollar sign is still money to us.

WorldMags.net

WorldMags.net

77
JANINA GAVANKAR
The sexiest show on television is *True Blood*, and the sexiest lady on *True Blood* is Janina Gavankar. Bonus: She's hysterical on *The League*!

76
EMMA ROBERTS
With Stone and Watson to deal with, being a Hollywood Emma can be a tough gig. No sweat for Julia's hot and talented niece, who stars alongside Jennifer Aniston and Jason Sudeikis in this summer's *We're the Millers*.

75
NATALIE MARTINEZ
We'd be psyched if she were down to play dress-up as the detective she portrays on *CSI: NY*, but for now we'll just keep watching her from our couch. Catch her in Stephen King's miniseries *Under the Dome* this summer.

74
RACHEL BILSON
The former *O.C.* cutie—now stealing hearts on *Hart of Dixie*—has described her body as "sacred." You'll get no argument from us; we worship daily at the altar of Bilson!

73
KATHARINE McPHEE
American Idol alum and current *Smash* star Katharine somehow had us believing that a brunette could play Marilyn Monroe. (That, by the way, is the most masculine thing we have ever written.)

72
JESSICA CHASTAIN
After her Oscar-nominated performance as a bin Laden–hunting CIA agent in *Zero Dark Thirty*, the ravishing redhead made us realize not having her in our lives would be torture.

71
SARA UNDERWOOD
A poker-playing former G4 host who was named Playmate of the Year, Sara seems like a woman dreamed up by your 14-year-old self. Thankfully for your current self, she's very real.

WorldMags.net

WorldMags.net

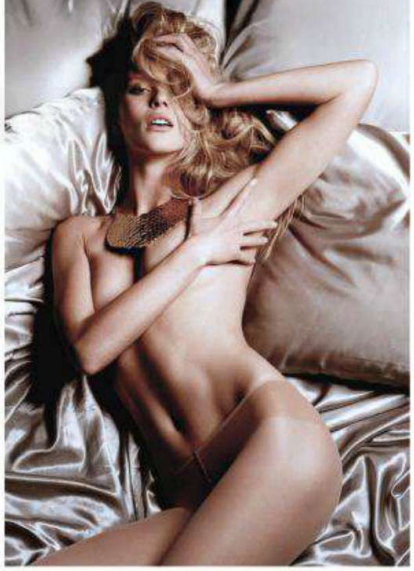

70
NINA AGDAL

Something is smokin' in the state of Denmark! This dashing Dane has modeled for both Frederick's of Hollywood and Victoria's Secret, which means she's not only hot but also has a closetful of free underwear.

69
MANTI TE'O'S FAKE GIRLFRIEND

One of the year's most-talked-about women was invisible and had the voice of a dude. How can you not fall under her charming spell?

68
ANNE V

She's a sexy Russian supermodel who made the tricky transition to actress opposite Bruce Willis in *A Good Day to Die Hard*. For anyone looking at her, it's a good day, period.

67
BRITTNEY PALMER

Supersexy model, dancer, and UFC Octagon Girl Brittney Palmer is a welcome reprieve from dudes smashing the crap out of each other's faces.

66
JOANNA KRUPA

This stunning Real Housewife of Miami has been dubbed the Sexiest Swimsuit Model in the world. Apparently, the judges never saw our copy chief, Ken Gee, in a Speedo.

WorldMags.net

WorldMags.net

65
EMILIA CLARKE
The exiled queen from HBO's smash hit *Game of Thrones* fulfills every D&D dork's girl-on-dragon fantasy.

64
CANDICE SWANEPOEL
Our favorite South African scored a hat trick when, for the third time, she secured the cover of the Victoria's Secret swim catalog (way hotter than those stuffy issues they put out the rest of the year).

63
STACY KEIBLER
The former WWE Diva (and current George Clooney arm candy) got a win outside the ring when her cheerleading alma mater, the Baltimore Ravens, took it all at the Blackout Bowl.

62
CAMERON DIAZ
The blue-eyed blonde beauty has built a career as one of Hollywood's funniest women, but her well-earned repeat spot on the Hot 100 is no laughing matter.

61
EMILY VANCAMP
With her role as Emily Thorne on *Revenge*, we've finally gotten to see VanCamp's dark, sexy side. It scared us, and we liked it.

60
STANA KATIC
Before becoming the queen of our castle thanks to her law enforcement role on ABC's *Castle*, Stana could be found alongside James Bond (*Quantum of Solace*) and Jack Bauer (*24*). Stana, we're ready for our frisking.

59
BROOKLYN DECKER
She started off modeling teeny-weeny bikinis for the likes of Victoria's Secret and the *SI Swimsuit* issue, but now the blonde beauty is flexing her acting chops, proving that the rest of her body is as talented as that bellybutton.

WorldMags.net

WorldMags.net

58
AMBER HEARD
Amber has an impressive number of big-screen credits under her belt—including *Zombieland*, *Drive Angry*, and *The Rum Diary*—and with four new movies on the way, you'll be hearing a lot about Heard this year.

57
EVA MENDES
She can do sexy, she can do comedy, she can do action, and sometimes she goes ahead and does all three. Check her out in the upcoming movies *How to Catch a Monster* and *Clear History*.

56
EMMY ROSSUM
We'll forgive the gorgeous *Shameless* star for once dating Counting Crows frontman Adam Duritz. But we can't forgive her for never materializing in our living room when we try summoning her with magic spells.

55
RACHEL MCADAMS
From *Mean Girls* to *Sherlock Holmes*, Rachel is a bona fide member of the Hollywood elite. Apparently, she also gave an unforgettable performance in a tear-jerker called *The Notebook*, but we wouldn't know *anything* about that.

54
KAMALA HARRIS
President Obama might have had to apologize for calling this California girl the "best-looking attorney general in the country," but we will do no such thing. We can only hope to fall under her jurisdiction one day.

WorldMags.net

WorldMags.net

53
SHAKIRA
Her hips aren't the only things that don't lie. Shakira replaced Christina Aguilera on this season of *The Voice,* and she's as honest with the screeching singers as she is hot.

52
BAR PALY
This cute and kosher Israeli supermodel showed off her acting chops—and sick bod—in Michael Bay's hit workout flick *Pain & Gain.* Feel the burn, America!

51
BRITTANY SNOW
We got to witness Miss Snow's singing chops in the hit musical comedy *Pitch Perfect,* which we've watched so many times our VCR is busted. (We're old school.)

50
LAKE BELL
Known for the hit flicks *No Strings Attached* and *It's Complicated* and the supersick *Childrens Hospital* on Adult Swim, *Maxim* cover model Lake will leave you drooling *and* laughing.

49
SOFÍA VERGARA
Colombia's hottest export plays a hot mom on *Modern Family,* a hot mom in real life, and a hot mom in our fantasies. (Sorry, guess we have some mommy issues.)

48
NINA DOBREV
Now *this* is a lady with a role she can really sink her teeth into! Because she's on *The Vampire Diaries!* And vampires have teeth! Should we shut up now? OK, we'll shut up.

47
ASHLEY GREENE
Whether wearing nothing but body paint in SoBe ads or stealing our hearts in *Twilight,* this sultry stunner keeps us coming back for more. Up next: Ashley goes punk in this year's *CBGB.*

46
YVONNE STRAHOVSKI
The Aussie actress stole our hearts in *Chuck,* gave us multiple endings in *Mass Effect* video games, then sliced our hearts into messy pieces in *Dexter.* And we enjoyed it all.

WorldMags.net

45
NAYA RIVERA
This *Glee* star debuted on 2010's Hot 100 list and is not afraid of a three-peat. (And we're not afraid of her lawyers, who have issued a restraining order against us.)

44
SARAH HYLAND
Modern Family is funny, insightful, and stars sexy Sarah Hyland. No wonder it has 12 bajillion Emmys!

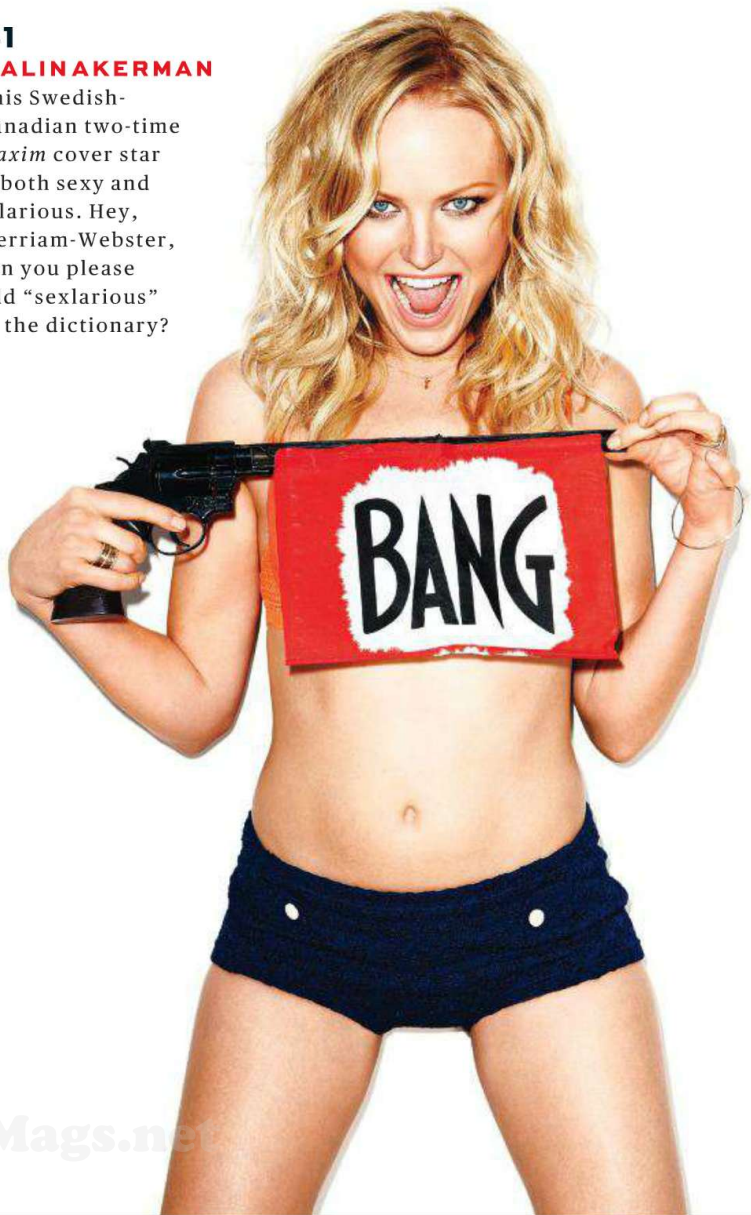

43
JORDANA BREWSTER
The Brazilian-American beauty made her big break in *The Fast and the Furious*. Five sequels later she's still revving our engines, honking our horns, and, um, checking our windshield wiper fluid?

42
ROSIE HUNTINGTON-WHITELEY
A previous Hot 100 champion and Victoria's Secret Angel, this British beauty has lips that change color according to her mood. We would know—we've been staring at them for years!

41
MALIN AKERMAN
This Swedish-Canadian two-time *Maxim* cover star is both sexy and hilarious. Hey, Merriam-Webster, can you please add "sexlarious" to the dictionary?

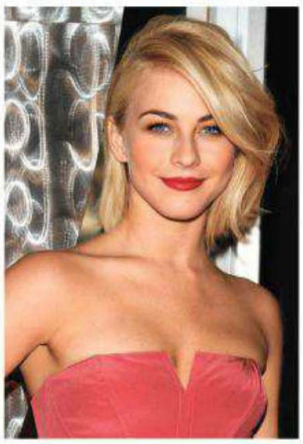

WorldMags.net

WorldMags.net

40
JULIANNE HOUGH

This gorgeous blonde from Utah is the only reason we feel comfortable singing along with *Rock of Ages*, grooving along to *Footloose*, and crying during *Safe Haven*. Yes, we're man enough to admit that we cry!

39
LEA MICHELE

We tell everyone we only watch *Glee* for this smoking-hot stunner. In reality we only watch it for this smoking-hot stunner... and the amazing soundtrack. (Their rendition of "This Is How We Do It" puts Montell Jordan's to shame!)

38
ZOE SALDANA

After killing it twice now as *Star Trek*'s Uhura, Zoe is rumored to be getting blue once again in the second installment of *Avatar*. We haven't been this excited about a computerized hottie since Princess Toadstool.

37
AMANDA SEYFRIED

From a delicate songbird in *Les Misérables* to a '70s porn star in the upcoming *Lovelace*, the former model can do it all. (Except, apparently, reply to our fan mail. Is that too much to ask, Amanda?)

36
LEIGHTON MEESTER

A true American hero, this Texas bombshell made it possible for us to sit through both *Country Strong* and at least one full episode of *Gossip Girl*, scoring us major points with our girlfriends.

35
BÉRÉNICE MARLOHE

The latest Bond girl (and recent *Maxim* cover girl) left us both shaken and stirred. We're surprised Daniel Craig didn't forget all his lines: "The name's, er, uh, wot was it again?"

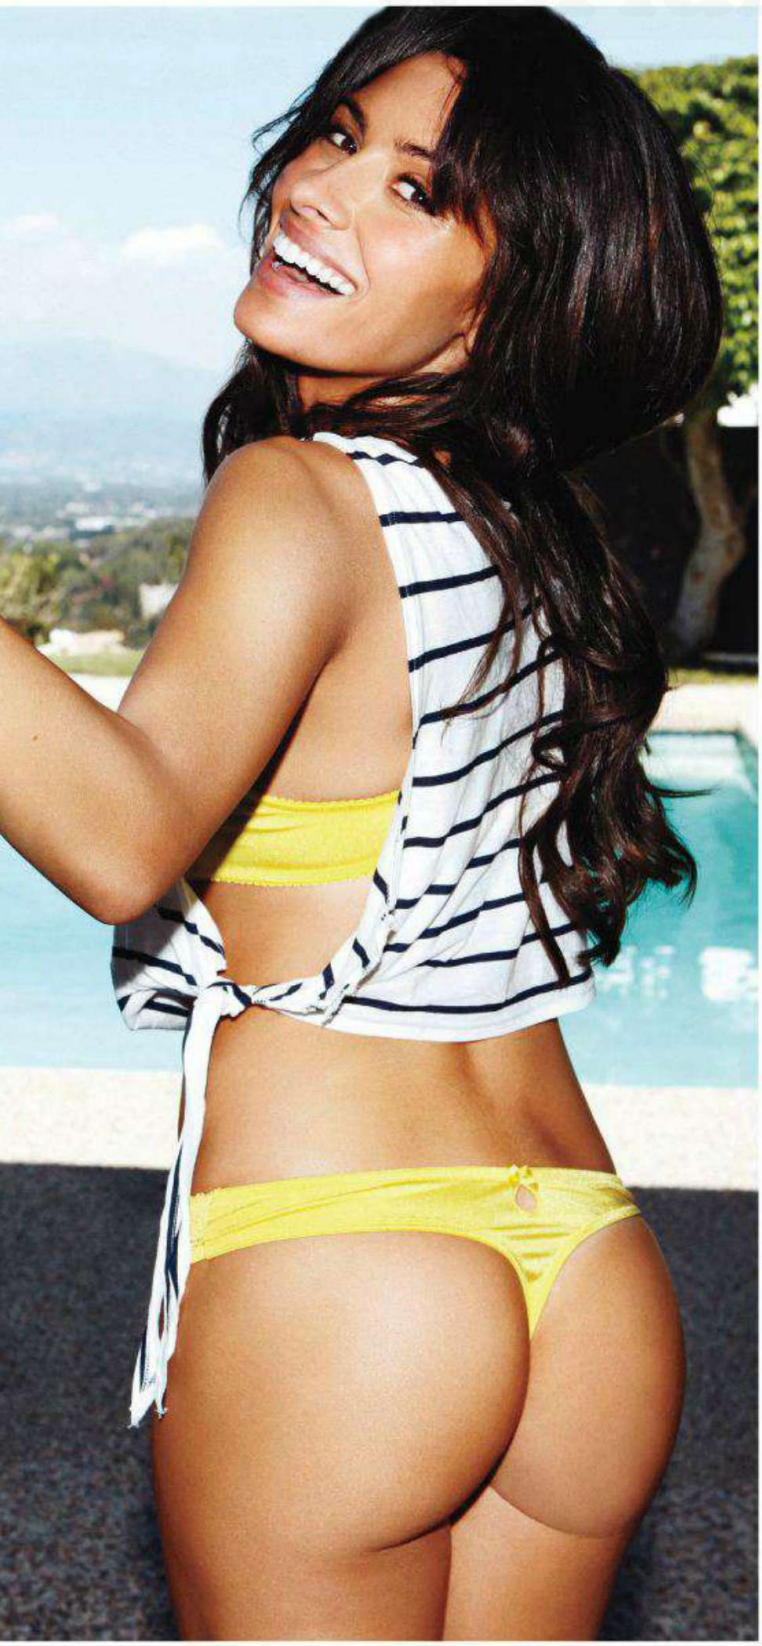

34
ADRIANNE PALICKI

This *Maxim* cover babe went from playing the hometown vixen in NBC's *Friday Night Lights* to *G.I. Joe: Retaliation*'s tough-as-nails soldier Lady Jaye. Surrender to her arsenal of sexiness!

WorldMags.net

WorldMags.net

33
SARAH SHAHI

Peep at our October cover from last year and you'll see why this former Dallas Cowboys Cheerleader earned yet another spot on the Hot 100. Yee-haw!

32
KALEY CUOCO

She first caught our eye on *8 Simple Rules*, but it's her role as Penny on *The Big Bang Theory* that gives false hope to physics students everywhere that they, too, can date the hottie next door.

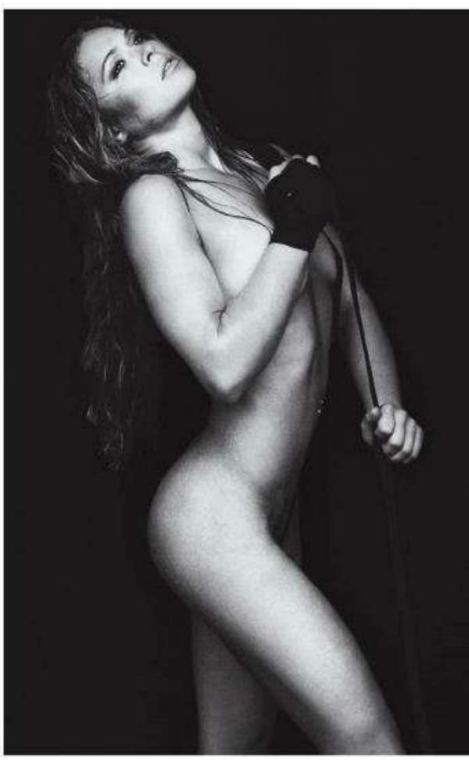

31
CHARLIZE THERON

The Oscar-winning actress looks pretty damn good for someone who was flattened by a runaway spaceship in her last big screen outing, *Prometheus*. (Spoiler alert! Whoops...too late.)

30
HAYDEN PANETTIERE

Fun fact: The *Nashville* cutie's surname means "baker" in Italian. Which explains why we enjoy her buns so much.

29
RONDA ROUSEY

Who says a woman who can kick our ass can't be sexy? This UFC bantamweight champion and Olympic medalist in judo makes us want to get hit again and again and again.

WorldMags.net

WorldMags.net

28
OLIVIA MUNN
All hail the Queen of Nerds! The delightfully goofy *Attack of the Show!* host turned serious *Newsroom* actress has been making our geek radar beep for years.

27
DANIELLE FISHEL
She set the Internet afire with her smoking *Maxim* cover shoot, and now we can barely wait for her to reprise her role of Topanga in *Girl Meets World*. Damn you, Cory!

26
DEMI LOVATO
True story: The beautiful pop sensation, who serves as a celebrity judge on *The X Factor*, got her start as a child actress on *Barney & Friends*. Something good did come from that show!

25
KATRINA BOWDEN
30 Rock might have gone to that big TV network in the sky, but our love for this two-time *Maxim* cover girl shall last forever!

24
BLAKE LIVELY
In case we never get a *Gossip Girl* movie, we caught Blake in *Savages*, where she was kidnapped by drug dealers and bloodily rescued by other drug dealers (which, incidentally, is what we'd like from a *Gossip Girl* movie).

23
HEATHER GRAHAM
Our current cover girl—whom we think of every time we see a pair of roller skates—can cure you of last night's *Hangover* with just a gaze. Get thee to the theater and worship her ASAP!

WorldMags.net

22
CHRISTINA HENDRICKS

As office manager Joan on *Mad Men,* Christina has won the heart, and dropped the jaw, of every red-blooded male in America. Anybody got a smoke?

21
EMMA STONE

Emma has escaped from zombies, hung out with Spider-Man, and was lusted after by Jim Carrey on his Twitter account; someone give this girl a Purple Heart!

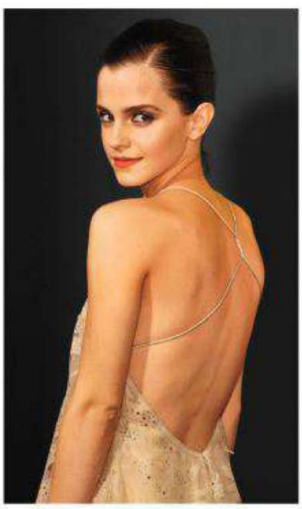

20
MEGAN FOX

Queen of the MILFs, Megan Fox went from battling evil robots in *Transformers* to battling middle-aged schlubs in the comedy *This Is 40*. She knows no fear.

19
EMMA WATSON

Emma's so beautiful we'd risk a bad case of Hogwarts to shake her hand. (Hogwarts is a disease, right? We never saw *Harry Potter*.) See *The Bling Ring* this month because of her.

18
ARIANNY CELESTE

There's no one we'd rather get in the cage with than UFC Octagon Girl and two-time *Maxim* cover model Arianny Celeste. (Except maybe Chuck Liddell. What a hunk!)

WorldMags.net

17

JESSICA ALBA

She played a stripper in *Sin City*, had an unforgettable shower scene in *Machete*, and now the ever-hot knockout is doing the universe a favor by reprising her roles in the sequels for both.

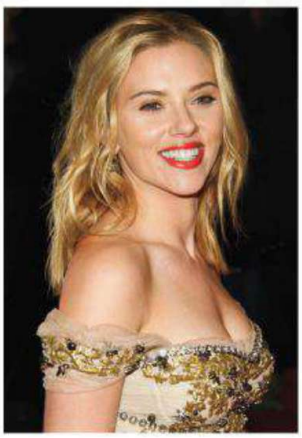

16

OLIVIA WILDE

We always knew how sexy this former Hot 100 No. 1 was, but it's the comedy chops she showed in *The Incredible Burt Wonderstone* that had us wishing she'd make fiancé Jason Sudeikis disappear.

WorldMags.net

WorldMags.net

15
SCARLETT JOHANSSON

When she squeezed into a leather bodysuit as the Black Widow in *The Avengers,* she made all our comic book fantasies come true. (Except the one where Thor uses his hammer to make our IKEA furniture.)

14
BEYONCÉ

At this year's Super Bowl halftime show, Jay-Z's missus not only blew minds, she blew New Orleans' whole damn power grid!

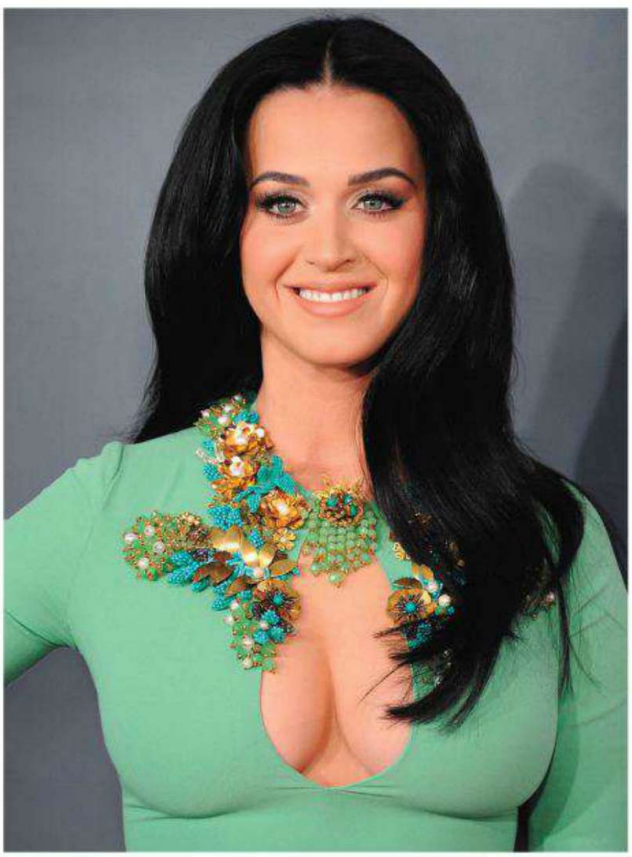

13
TAYLOR SWIFT

Swifty's only 23 and already a seasoned musician at the top of her game. She seamlessly crossed over from country to pop star, and we (-eee!) are never, ever, ever going to get her or her songs out of our heads.

12
KATE BECKINSALE

A product of Oxford University (we think we were forcibly removed from there once), this British belle stormed our shores a while ago, and we hope she's lost her passport.

11
KATY PERRY

The only pop star with boobs capable of shooting whipped cream, this California girl and former Hot 100 champ has the most bodacious bod this side of Jessica Rabbit.

WorldMags.net

10

ELISHA CUTHBERT

From *24* to *Happy Endings*, four-time *Maxim* cover girl Elisha has been a continuous source of TV joy. Without her your remote control would be meaningless!

WorldMags.net

WorldMags.net

9

VANESSA HUDGENS

Disney's *High School Musical* was the squeaky-clean launch pad for this beauty's career, but she's since graduated to edgier, sexier roles in flicks like *Spring Breakers* and the forthcoming *Machete Kills*. Apparently, God does listen to prayers.

WorldMags.net

8

KATE UPTON

Between her two consecutive *SI Swimsuit* issue covers and that slow-motion Mercedes Super Bowl commercial, we can't get enough of Kate and her sanity-defying curves. America, we have a new national sweetheart!

WorldMags.net

7

ASHLEY TISDALE

She may have been birthed by Disney, but Ashley has had no trouble making a name for herself outside of the mouse's shadow. After graduating from the *High School Musical* series, she's starred in two killer projects: *Scary Movie V*... and the cover of *Maxim*!

6

JENNIFER LOVE HEWITT

She's flexible enough to play both a nun-in-training (*Sister Act 2*) and a raunchy masseuse (*The Client List*), and after dominating our "Sexiest *Maxim* Cover Girl of All Time" competition, J.Love has proved she's the one our readers, well, love!

WorldMags.net

5

JENNIFER LAWRENCE

Jennifer may look like a screen goddess of yore, but her potty mouth and no-BS attitude put her in a class all by herself. She has everything we look for in a woman: amazing beauty, an Oscar, and skills with a bow and arrow. (Sorry, Anne Hathaway, that last part is nonnegotiable.)

4

MILA KUNIS

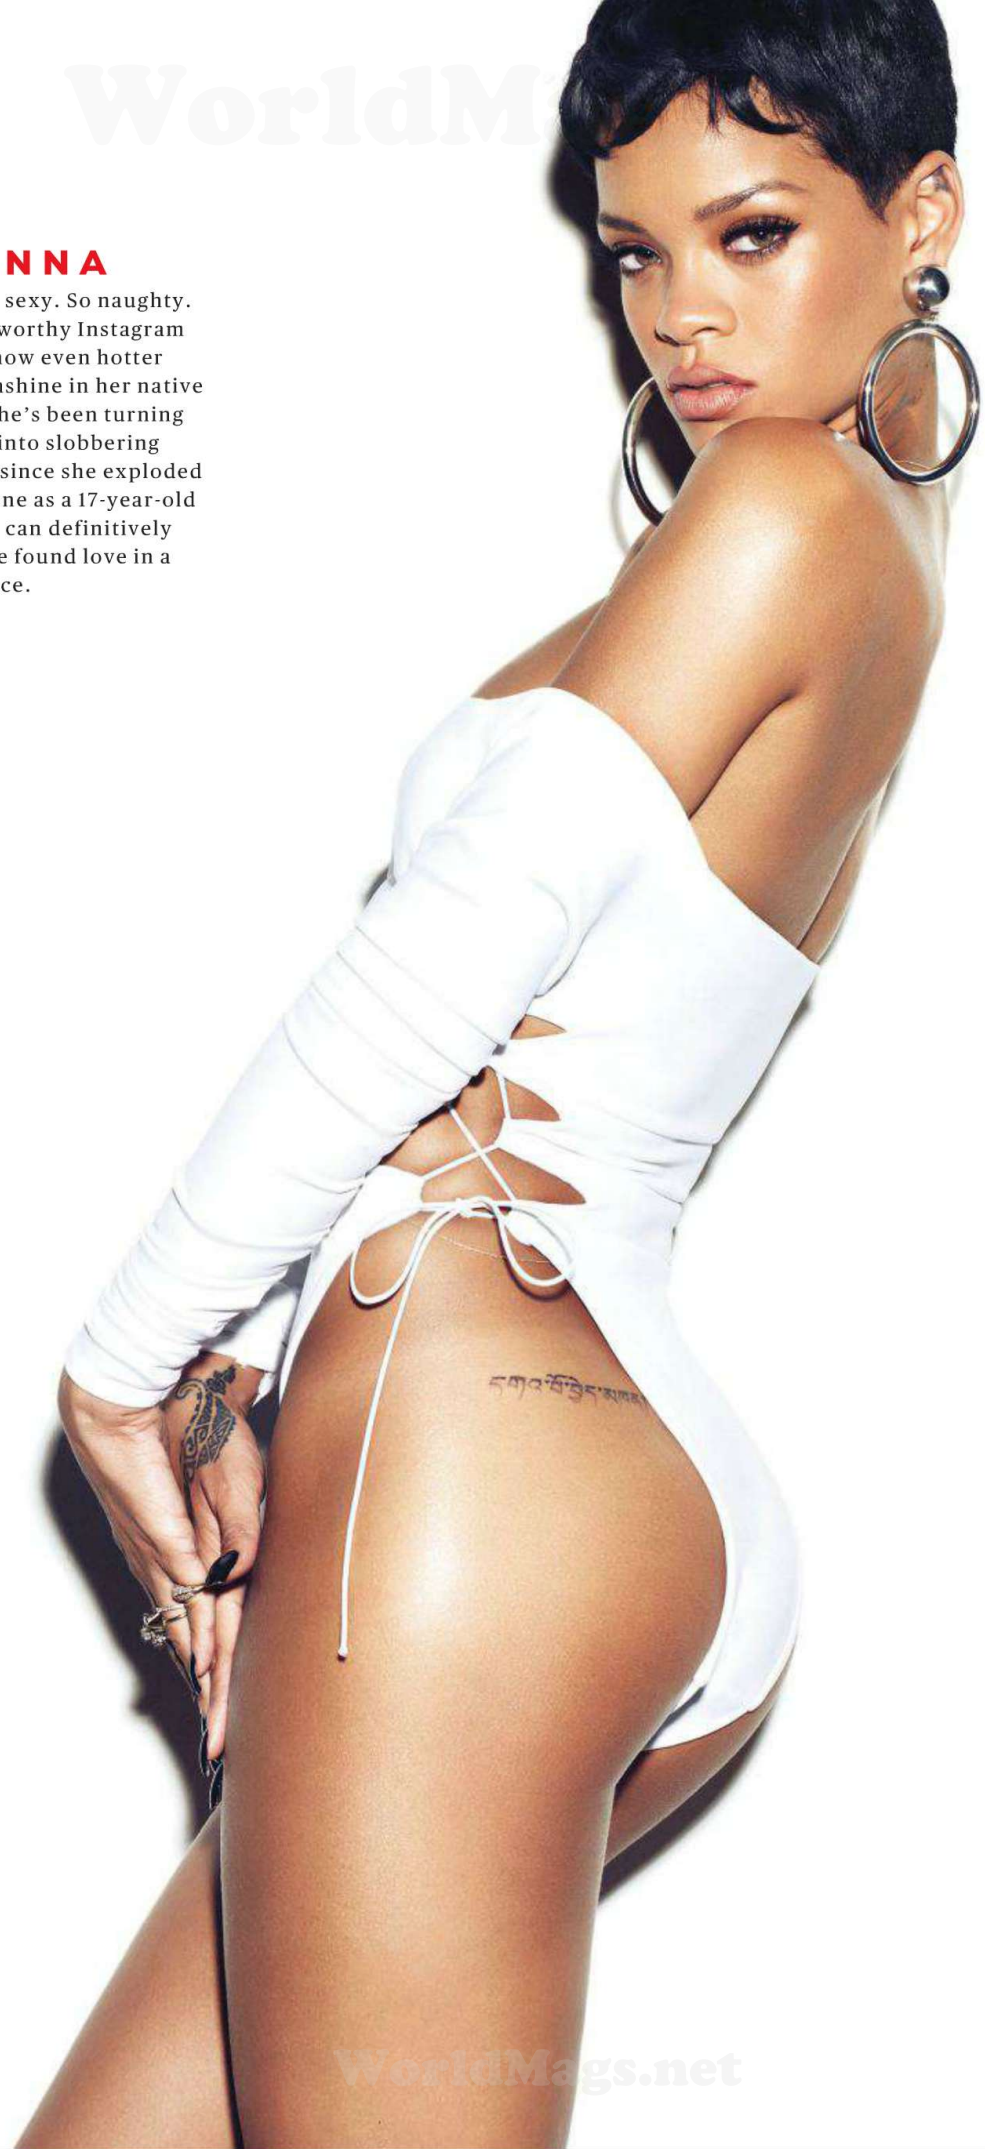

She may have played a witch in *Oz the Great and Powerful*, but we've been under this stunner's spell since we first spotted her in the Formans' basement on *That '70s Show*. Plus, any woman who takes pity on a stammering journalist is awesome in our book!

WorldMags.net

3

RIHANNA

Oh, RiRi. So sexy. So naughty. Such a lust-worthy Instagram feed! Somehow even hotter than the sunshine in her native Barbados, she's been turning grown men into slobbering babies ever since she exploded onto the scene as a 17-year-old in 2005. We can definitively state that we found love in a Rihanna place.

WorldMags.net

2

SELENA GOMEZ

Yet another sexy product of the Disney machine, Selena ditched the Mouse ears this year, opting for a bikini and a bong in *Spring Breakers*, and dropped our favorite single (herself!) when she split with the Biebz.

1

MILEY CYRUS

It was a case of love at first twerk for *Maxim* nation, who stormed maxim.com by the millions to vote for Miley Cyrus as the hottest woman alive. "It feels amazing to be No. 1," she told us, "especially because it was voted on by the fans. I have the best fans in the world!" This pixie-haired beauty brought it home for America, storming to the top spot the first week of voting and never losing command of her seat of world power. So as we officially rename 2013 the Year of the Miley, let's all party in the U.S.A. and rock out to her collaborations with *Maxim* heroes like Snoop Lion and will.i.am. Miley, we hereby anoint thee Queen of Our Hearts. ▶
